

Dirk Hartog Island National Park

Return to 1616

How to Use this Resource

People will be driven to learn when they're solving problems that matter to them. This resource is designed to engage learners in devising actions for real-world problems - big and small. Select an *Inquiry Activity* and let it lead the way. The *Information Hub* is there to support knowledge construction by learners. The *Teacher Section* is there to support teachers as they guide learners to achieve curriculum expectations.

Return to 1616 Background Information

Learn about the incredible project to restore the biodiversity of Dirk Hartog Island to its natural state.

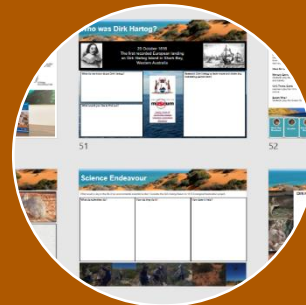

Virtual Tour

Interact with 360-degree images within Google Earth to explore the island and the *Return to 1616* project.

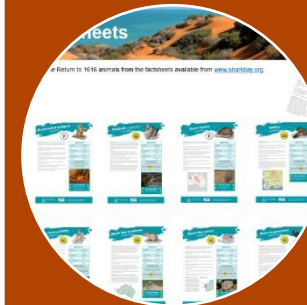

Inquiry Projects

Use 'Information Fluency' to guide your research or 'Solution Fluency' to guide you to real-world action!

Student Activities

Browse activities to complement your current programs and curriculum. These can be used as 'one-off' activities or as a series.

Information Hub

Search here for information you need when you need it. Find the information that best suits your inquiry and use it for real-world action. Share the information with others.

Teacher Section

This section includes curriculum links and other supporting materials for busy teachers.
